Lancée en 2019, la société de mixers premium crée l'événement de cette rentrée avec la refonte de son branding et un nouveau distributeur : la Maison du whisky. Son objectif : la suprématie sur le marché français dans sa catégorie.

Déjà plus de 2 millions de bouteilles vendues, une croissance de 66% en 2022, 15 salariés, une bonne implantation dans le CHR (70% de son chiffre d'affaires) dont des restaurants étoilés dans tout l'Hexagone... depuis sa création il y a 4 ans, c'est un sacré parcours accompli par la marque de mixers premium fondée par Meriadec Buchmuller
